THE ISSUE

DUE TO DECLINING ENROLLMENT IMPACTING STAFFING IN THE FRUITA SECONDARY SCHOOLS, DUE TO AN INTEREST IN MOVING FRUITA SECONDARY SCHOOLS INTO A MORE TRADITIONAL GRADE CONFIGURATION, AND TO BETTER ALIGN FEEDER PATTERNS, D51 HAS BEEN EXPLORING OPTIONS TO ACCOMPLISH A GRADE RECONFIGURATION IN THE FRUITA SECONDARY SCHOOLS.

1

TIMELINE OF EVENTS

TIMELINE

1

FRUITA 8/9 CONSTRUCTION

Built in 2006. Originally constructed to be a second middle school in Fruita area to accommodate planned growth.

2

TEMPORARY SOLUTION

Because of overcrowding at the time, the current Fruita 8/9 building was temporarily used as an 8/9 configuration. That temporary usage has remained in place for 18 years.

3

BONDS

2008 bond to build an Appleton high school failed. 2018 masterplan to address issue. 2019 bond to add 10 classrooms at FMHS and tie buildings together for safety failed.

2018 MASTERPLAN

5th high school to address grade level challenge in Fruita

*Fruita 8/9 converted to 6-8
FMS converted to 6-8*

Normalize grade configuration

LONG TERM PLANNING (10 YEARS)

Through Master Plan Workshops with the community and with the guidance and effort of the Steering / Long Range Planning Committee, a clear direction for the next 10 years was established for D51. The process considered holistic district wide considerations and the final recommendation is illustrated below.

Master Plan Recommendation: D51 in 10 years

ALL Schools

- have been modified to create spaces that support D51 Learning Model
- have a current facility improvement plan informed by facility assessments

High Schools: 5 Comprehensive HS have 1400 max capacity

- Grand Junction HS replaced
- Fruita Monument, Central, and Palisade HS improved
- 5th comprehensive HS in Appleton Area built
 - Addresses Grade Level Challenge in Fruita

Middle School Grade Configuration is consistent across D51

- Fruita 8-9 converted to an "East side" 6-8 MS
- Fruita 6-8 is the "West side" 6-8 MS

Elementary School Enrollment Growth Addressed and Full Day Kindergarten Accommodated

- An additional Fruita ES built
- ES modified to accommodate Full-Day Kindergarten

SHORT and MID-TERM PLANNING (2019 BOND - 5 YEARS)

The Short and Mid-Term planning is comprised of the key facility improvements required in order to make progress toward the Long Term Plan. The Recommendation below lays out the relative timing of those improvements.

RECOMMENDED PRIORITIES / PHASING

SHORT (2019 Bond):

- GJHS Replacement
- ALL HS Substantially Improved, focusing on Safety/Security
- Normalize grade configuration

MID (3-5 years):

- Replace Scenic/ Broadway ES
- Partial Replacement of Lincoln Orchard Mesa ES
- Facility Assessment Needs
- ES/MS Innovation & FF+E

LONG (6-10 + years):

- Possible 5th HS
- All HS @ 1400 students
- Facility Assessment Needs

(~ 20 years):

- ES Partial/Full Replacements

**CURRENT
STAFFING &
FUNDING ISSUES**

CURRENT STAFFING

DECLINING ENROLLMENT & STAFFING

Due to the decline in student enrollment across the district, including the Fruita area schools, a loss of students means a loss of FTE/staff. Since 2019, FMS has declined by 150 students, Fruita 8/9 has declined by 212 students, and FMHS has declined by 61 students.

SUBSIDIZED STAFFING

Currently, the Fruita secondary schools are overstaffed by 9 FTE. This subsidizing of staff has occurred in order to not staff the Fruita secondary schools in a way that cuts programming. Even with subsidizing of staff, Fruita secondary schools have had to cut certain programs due to lack of FTE.

CURRENT COST TO SUBSIDIZE

The average teacher salary with benefits is now around \$90,000. Subsidizing 9 FTE at the average teacher salary equates to over \$800,000. We have used ESSER funds to subsidize these unfunded positions, but ESSER funds are expiring in Fall of 2024, and the subsidizing of FTE is not sustainable.

Average Teacher Pay Calculation:

- Salary: \$65,498
- Pera-21.4%: \$14,017
- District Share Health Ins.-13.8%: \$9,039
- Medicare-1.45%: \$950
- Workers Comp/Unemployment-0.65%: \$426
- Life-0.126%: \$83
- Total: \$90,013

5

**FUTURE
STAFFING &
FUNDING ISSUES**

FUTURE STAFFING

CONTINUED ENROLLMENT DECLINE

Based on projections, if we keep the current secondary school models in Fruita in tact for the 2024-25 school year, FMS is projected to decline by another 44 students, down to 415, and Fruita 8/9 & FMHS are projected to decline by another 80 students, down to 589 at Fruita 8/9 & 1,195 at FMHS.

FUTURE SUBSIDIZED STAFFING

Based on next year's enrollment projections (not including SOC), if we delay the reconfiguration moves, FMS would be overstaffed by 4.22 FTE, Fruita 8/9 would be overstaffed by 5.99 FTE, and FMHS would be overstaffed by 3.4 FTE. Subsidizing these staffing overages in order to not impact programming in the Fruita secondary schools would cost \$1.2 million in unfunded positions that the district doesn't have.

FUTURE FTE REDUCTIONS

If we make the necessary reductions based on enrollment projections and the staffing model (not including SOC), FMS would be reduced next year by 4.22 FTE, Fruita 8/9 would be reduced next year by 5.99 FTE, and FMHS would be reduced next year by 3.4 FTE.

STAFFING IMPACTS SINCE DECLINE & BEYOND

	2021	2022	2023	Total FTE Change Since 2021	2023 Staffing Model Reductions	2023 Subsidized FTE	2023 AVG FTE Subsidy Cost	2024 Projected FTE Over*	2024 AVG FTE Subsidy Cost*

**PATHWAY TO
RECONFIGURATION**

RECAP OF ISSUES

1

PROJECTIONS

Projections for 6th-7th Fruita Middle School next year are 415. Projections for Fruita 8/9 School next year are 589. Projections for 10th-12th Fruita Monument High School next year are 1,195.

2

UNFUNDED POSITIONS

Staffing at the FMS, Fruita 8/9, and FMHS would be based on projected lower enrollment, and 13.61 FTE unfunded positions would equal an estimated cost of \$1.2 million, which D51 doesn't have available.

3

STAFFING CUTS NEXT YEAR

Staffing at the FMS, Fruita 8/9, and FMHS would be based on projected lower enrollment, and FMS would be reduced by 4.22 FTE, Fruita 8/9 would be reduced by 5.99 FTE, and FMHS would be reduced by 3.4 FTE. This is not what is best for kids.

ALT OPTION EXPLORED

USE FRUITA 8/9 BUILDING AS A 9TH GRADE BUILDING

PROS

CONS

One alternative idea raised was to temporarily use the current Fruita 8/9 building as a 9th grade building. 6th-8th would occupy the current FMS, 9th grade would stay at the current Fruita 8/9 building, and FMHS would remain a 10th-12th until the building can hold 9th-12th.

- No temporary modulars*
- No transition for current 7th and 8th grade students*

- Would not accomplish reconfiguration*
- Continue to staff 3 buildings for admin, custodial, front office, health, nutrition, etc.*
- Would need to subsidize unfunded positions*
- Fruita 8/9 staff impacted twice*
- Multiple packing and moving years*

VIABLE PATHWAY TO RECONFIGURATION

RECONFIGURE IN 2024-25

Close the Fruita 8/9 School. Move 9th grade to the FMHS campus to create a 9th-12th campus. Move the FMS to the current Fruita 8/9 building. Include 8th grade at FMS to create a 6th-8th campus.

2024-25 PROJECTIONS

Projections for a 6th-8th middle school next year in Fruita are 669. Projections for a 9th-12th high school next year are 1,530.

2024-25 STAFFING

Staffing at the new FMS and FMHS would be based on projections, and additional FTE would be added to each school. Principals would hire to fill those additional FTE.

Beginning 2024-25 School Year

If the Board votes to close the Fruita 8/9 School beginning in the 2024-25 school year, 9th grade at the closed Fruita 8/9 School would shift to Fruita Monument High School, and 8th grade at the closed Fruita 8/9 School would shift to Fruita Middle School. This would create a 6-8 Fruita Middle School and a 9-12 Fruita Monument High School.

7

**HR IMPLICATIONS
FOR 2024-25
RECONFIGURATION**

HR IMPLICATIONS FOR 2024-25 RECONFIGURATION

FRUITA 8/9 STAFF IMPACTED

Because the Fruita 8/9 School would be closed, all Fruita 8/9 staff will need to apply for positions for the 2024-25 school year.

MUTUAL CONSENT

Senate Bill 10-191 requires mutual consent in the placement of teachers and counselors and eliminates forced placement. Mutual consent requires the consent of the hiring principal with input from at least two teachers assigned to the school.

HIRING PROCESS

Posting positions for teachers, counselors, and support staff will begin after the School of Choice process is complete. All Fruita 8/9 staff are guaranteed interviews for similar positions for which they apply.

HR IMPLICATIONS FOR 2024-25 RECONFIGURATION

APPLICATION PROCESS

The D51 employment application will be condensed in order to better support staff through the application process.

EARLY RETIREMENT

Exploring a possible early retirement incentive for staff. Will know more in the next few months before teaching positions are posted.

EAP & SUBS

Extra sessions through our Employee Assistance Program will be available, and every Fruita 8/9 employee will receive one paid sub day to be used in the second semester to assist with interviewing preparation or other personal needs.

HR IMPLICATIONS FOR 2024-25 RECONFIGURATION

IN-SERVICE DAYS

The HR team will be at Fruita 8/9 for the January in-service day to help staff prepare for the upcoming hiring season. Attendance at the inservice is optional.

MOVE DAYS

2 student contact days converted to days for FMS and Fruita 8/9 staff to be able to pack rooms.

NON-PROBATIONARY & PROBATIONARY

Non-probationary teachers, counselors and support staff are guaranteed a position with D51 for the 24-25 school year. Probationary staff who don't find a mutual consent position will be non-renewed in May 2024 and are still eligible to apply for D51 positions.

STAFFING PROJECTIONS

FRUITA 8/9 CURRENTLY HAVE 41.35 FTE THROUGH THE STAFFING MODEL. MOVING FROM 3 SCHOOLS TO 2, WE WOULD ADJUST STAFFING AT FMS & FMHS BASED ON THE ADDITIONAL STUDENTS. FMS IS PROJECTED TO GAIN AN ADDITIONAL 10.04 FTE, & FMHS IS PROJECTED TO GAIN AN ADDITIONAL 13.33 FTE. INSTEAD OF A PROJECTED UNFUNDED SUBSIDY OF \$1,244,900, WE WOULD BE SAVING THAT AMOUNT PLUS THE POTENTIAL FOR ADDITIONAL EFFICIENCIES GAINED BY OPERATING ONE FEWER BUILDING.

	Projected Enrollment*	Projected Staffing Adjustments*
FMS	669	+10.04 FTE

FEEDBACK

FRUSTRATIONS

Some staff were frustrated with the timing of the information that was shared and that they felt caught off guard by the news of the potential closure of Fruita 8/9.

FAIRNESS

Some staff did not believe it was fair that the Fruita 8/9 staff had to apply for jobs while staff at the other two schools (FMS in particular) didn't. Some felt that FMS, Fruita 8/9, & FMHS should have to apply for jobs.

UNDERSTANDING OF CIRCUMSTANCES

Some staff understood that a decision needed to be made and they appreciated clarity on the topic of next steps and a decision being made sooner rather than later.

SCHOOL CODE

STAFF QUESTION

At the Fruita 8/9 staff meeting, the question was raised as to whether or not both the FMS & Fruita 8/9 School could be closed with a brand new middle school opened in their place. The hope was that by closing both schools and opening a new school that staff at both schools would need to apply for jobs at the new middle school.

CONTACTED CDE

We have 3 options:

- 1. Do a grade change to FMHS 9-12*
- 2. Ask to close Fruita 8/9 & FMS and open a new school code*
- 3. Ask to close one, also doing a grade change to FMS 6-8. In CDE's experience, this is the normal practice of the committee approving requests & probably the most viable option.*

NO GUARANTEE & TIMING ISSUE

The school code and grade change process opens in February. We can put in all three requests, and they approve and deny. CDE did say that because FMS has more students remaining together, it's likely the FMS school code would be kept and the Fruita 8/9 school code to be closed if the 3rd option was approved.

MUTUAL CONSENT

HISTORY

In 2010, Senate Bill 10-191 was passed changing the way principals, teachers, and special services providers are supported and evaluated in Colorado. Requires mutual consent in the placement of teachers (eliminates forced placement).

PURPOSE

Prior to the law passing, if non-probationary teachers lost their positions through program changes or enrollment declines, they could be assigned elsewhere in the district through “direct” or “forced” placement, meaning the teacher and the new principal did not have to consent to the placement. Non-probationary teachers who lose their jobs can only be placed at another school within their district through “mutual consent.” This means both the teacher and the principal at their new school, with input from at least two teachers at that school, must agree to the placement.

IMPLEMENTATION

A teacher may be placed in a school only with the consent of the principal and the advice of at least two teachers who work at that school. Effective non-probationary teachers who aren't placed in a school will go into a priority hiring pool. A non-probationary teacher has two hiring cycles to find a permanent position.

NEXT STEPS

NEXT STEPS

1

STAFF PRESENTATIONS & LETTER

D51 Senior Leadership presented information to Fruita 8/9, FMHS, and FMS staff and received feedback. Letter sent to all Fruita school families and staff.

2

BOARD WORK SESSION

D51 Senior Leadership present information and recommendation to D51 Board of Education at the Board Work Session on Dec. 12.

3

POSSIBLE DECISION

Board of Education could take action at their Board Business Meeting on Dec. 19. Action could include closing the Fruita 8/9 school at the end of the current school year.

NEXT STEPS

4

STAFFING NEXT STEPS

Depending on what the Board decides, D51 will open the School of Choice window in January and make decisions in February. New school staffing numbers based on SOC and boundary grandfathering made available to schools in February. D51 school staff positions posted for hiring.

5

FACILITIES ADJUSTMENTS

If the Board decides to close the Fruita 8/9 school at the end of the 2023-24 school year, work will begin to temporarily add four D51-owned modulars to FMHS to ensure enough classroom space through the transition, and FMS staff and supplies will relocate to the current Fruita 8/9 building.

6

2024-25 SCHOOL YEAR

If the Board decides to close the Fruita 8/9 school at the end of the 2023-24 school year, the 2024-25 school year will begin with a 6th-8th FMS located at the current Fruita 8/9 building, and a 9th-12th FMHS. Discussions on the future use of the current FMS building would begin.

The District is committed to a learning and working environment that is free from sexual harassment. Sexual harassment is recognized as a form of sex discrimination and thus a violation of the laws which prohibit sex discrimination.

It shall be a violation of policy for any member of the district staff to harass another staff member or student through conduct or communications of a sexual nature. Any conduct or communication of a sexual nature directed toward students by teachers or others to whom this policy applies, shall be presumed to be unwelcome. Sexual harassment committed by an employee of the District in the course of employment shall be deemed a breach of duty, and as such, shall subject the offending employee to disciplinary action. This policy similarly applies to non-employee volunteers or any other persons who work subject to the control of school authorities.

Sexual Harassment Prohibited

For the purposes of this policy, unwelcome sexual advances or requests for sexual favors, or otherwise unwelcome physical or verbal conduct or communication of a sexual nature constitutes sexual harassment if, under the totality of the circumstances:

1. Submission to the conduct is made either an explicitly or implicitly a term or condition of a person's employment or educational development.
2. Submission to or rejection of such conduct by an individual is used as a basis for employment or educational decisions affecting such individual.
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or educational performance or creating an intimidating, hostile, or offensive working or educational environment.

The prohibition against sexual harassment applies whether the harassment is between people of the same or different gender.

Sexual harassment as defined above may include but is not limited to:

1. Sex-oriented verbal "kidding", abuse or harassment.
2. Pressure for sexual activity.
3. Repeated remarks to a person with sexual implications.
4. Unwelcome touching, such as patting, pinching, or constant brushing against another's body.
5. Suggesting or demanding sexual involvement, accompanied by implied or explicit threats concerning one's grades, employment status, or similar personal concerns.
6. Sexual violence

Reporting, Investigation, Sanctions and Discipline

It is the express desire of the Board to encourage victims of, or witnesses to, sexual harassment to report such claims through the District's complaint process. (See Regulation AC-R).

Employees who feel that their superiors are conditioning promotions, increases in wages, continuation of employment, or other terms or conditions of employment upon agreement to unwelcome conduct of a sexual nature, are encouraged to report these conditions to the appropriate administrator or to the District's Title IX compliance officer.

All reports of sexual harassment received by any District employee shall be promptly forwarded to the compliance officer. (See Regulation AC-R). The compliance officer shall ensure that every complaint is promptly investigated and responded to as set forth in the District's complaint and compliance process. (See Regulation AC-R). No

reprisals or retaliation shall be allowed to occur as a result of the good faith reporting of charges of sexual harassment or participation in an investigation. Requests for confidentiality shall be honored so long as doing so does not preclude the District from responding effectively to the harassment and preventing such conduct in the future.

Any employee found to have engaged in sexual harassment shall be subject to sanctions, including, but not limited to, warning or reprimand, suspension, or termination, subject to applicable procedural requirements. Conduct of a sexual nature directed toward students is strictly prohibited and shall, in appropriate circumstances, be reported as child abuse for investigation by appropriate authorities in conformity with policy JLF.

Notice of policy

Notice of this policy shall be circulated to all district schools and departments and incorporated in employee handbooks.

BOARD MEMBER COMPENSATION/EXPENSES/INSURANCE/LIABILITY

Adopted: October 10, 1972
1st Reading: December 12, 2023

Page 1 of 1

The taxability and tax status of all compensation, expense reimbursement, and other payments that the District makes to, or on behalf of, the members of the Board of Education is determined by applicable state and federal law. Board members must follow the Board's policy or administratively established procedures for claiming and substantiating all amounts for which payment or reimbursement is requested.

Compensation

Board members will serve without compensation for their services unless compensation has been authorized by a written resolution adopted by a majority vote of the Board in a public meeting; except that no Board member may have their compensation increased during the term in office to which they have elected or appointed.

Any compensation provided to Board members must not exceed \$150 per day for not more than five (5) days of service per week, excluding federal and state holidays. Board members may only receive compensation for days when official Board duties – meaning Board meetings and other official activities and duties, including those that are conducted with a majority of the Board present are performed.

Reimbursement

Upon submitting vouchers and supporting bills for expenses incurred in carrying out specific services previously authorized by the Board, Board members may be reimbursed from District funds in accordance with the Board's policy on expense authorization and reimbursement and in amounts approved by a majority vote of the Board in a public meeting.

Insurance and liability

The Board will purchase liability insurance and errors-and-omissions insurance to protect its members individually and collectively for claims made against them as a result of their membership on the Board.

The Board will rely on the Colorado Governmental Immunity Act, C.R.S. 24-10-101 et seq. (the Act) as the statement of its obligation to defend and indemnify Board members. IF the Board elects to prove for the defense of a Board member in a claim which alleges willful and wanton conduct by the Board member, the Board may require the Board member to post a reasonable bond to ensure reimbursement of any amounts advanced, in accordance with the Act.
